COMMENTS FROM THE TOWN MANAGER'S OFFICE

The town meeting was very well attended and very well controlled. Everyone had an opportunity to express their views on all articles. The moderator did an excellent job of conducting a meeting that had several articles that were decided by a small margin. Whether or not anyone is happy about the outcome of the various articles, the fact remains that all articles were thoroughly discussed and the majority ruled.

I don't know of any official count at the meeting but I would say that the attendance was between 350 and 375. I think it was a very good attendance and I would like to see as much interest at every town meeting both regular and special.

The statement has been made that the group in favor of high school transportation will request a special town meeting. The request will first be made of the selectmen to call a special town meeting and if they refuse then a petition will be circulated. I personally am not in favor of a special town meeting to again vote on this subject unless circumstances are substantially changed. Everyone must agree that the pros and cons of high school trans-

USHERETTES NAMED FOR IRISH MINSTREL

Mrs. Leonard Pierce, head usher for the Bethel Players Irish Minstrel, has announced that the following young ladies will serve as usherettes: Misses Victoria Brown, Cynthia Chapin, Pamela Douglass, and Ruth Tebbets. They will be costumed to match the minstrel participants.

Final rehearsals have been scheduled for Friday, March 6, at 7:30 p. m., at the Community Room, Tuesday, March 10, at 7:30 p. m. at Bingham Hall, and dress rehearsal Thursday, March 12, at 7:30 p. m. at Bingham Hall. With only three rehearsals remaining before the production dates of March 13 and 14, all minstrel participants are urged to make a special effort to attend.

portation were presented and the article was defeated.

The financial recommendations of the budget committee were all approved at town meeting so the tax rate should remain the same this year as it was last year.

CB MONITORS SCHEDULED TO MEET MONDAY, MARCH 9

The postponed regular March meeting of the Bethel CB Monitors is scheduled to be held Monday evening at 7:30. The session to be at the Firemen's Rooms.

Due to misunderstandings or differences of opinions with the directors in regard to Club policies, Errol Donahue has resigned as vice president of the CB Monitors. He wishes to thank all interested CBers who supported him while in office.

OUR ERROR — SORRY !!

Last week's Citizen reported that Bethel's tax rate was 52nd highest of the State's 319 towns or cities. Or at least it should have.

If your copy said this was Bethel's standing in percentage of town appropriations spent on schools, we apologize.

The type was reset as soon as the error was discovered but after local paper boys had left our office. Some out-of-town subscribers received copies with the erroneous story also.

Miss Sharyn Hardy spent the week end at the home of Mr. and Mrs. Michael Houlihan.

SPEAKER TELLS C. OF C. RECREATION VISITOR AIDS ECONOMY OF ALL

Appealing to the recreational visitor does aid all facets of the community's economy, according to the speaker at the Greater Bethel Chamber of Commerce, Tuesday.

Ray T. McDonald, of Bridgton, an assistant vice-president of the Case Bank and Trust Co., cited various indications of this which have occurred in his town. He enumerated the concerns doing business profitably as opposed to the number which could survive from the sources of money within the towns.

He also mentioned that visitors attracted there to ski, were responsible for later bringing two new industries to the community.

During the business meeting, Dr. Jack Triunard presented a resume of the activities of the Publicity Committee, and was given a vote of confidence to proceed with publishing the brochure.

Committees met informally after the meeting. Lewis Sargent and Roland Olmstead were confirmed as co-chairmen of the Special Activities committee.

Bethel Raises \$278,157; Against Bus and Fluoride at Town Meeting

At a lengthy four and a quarter hour town meeting Monday evening, Bethel voters followed the recommendations of the Budget Committee and appropriated a total of \$278,157, \$29,000 to come from surplus.

In the election held during the day the following officers were elected: Rodney Barnes, Selectman and Assessor for three years; Roderick McMillin, Fire Ward; Theodore S. Chadbourne and Harold Rolfe, School Committee for three years; Violet Bennett, Town Clerk.

It was voted to pay officers of the town as follows: Assessors, \$100; Selectmen, \$100; Clerk, \$100; and Health Officer, \$35.

After discussion and remarks by Rev. Clifford Laws, president of the local Chamber of Commerce, it was decided to grant matching funds for the Chamber of Commerce of up to \$2,000.

The voters authorized the appropriation of \$500 from surplus for the Bethel airport after some discussion.

An appropriation of \$200 for Christmas lights was authorized an increase of \$100 over a year ago.

More money was raised for the building of a fire station, but no action was taken until the planning committee presents a more definite and precise plan for this building to the townspeople.

After a lengthy discussion by interested persons a secret "yes or no" ballot resulted in the defeat of the article to add fluorides to the Bethel water supply.

The Week in Oxford County

James Brown, son of Mr. and Mrs. Earl D. Brown, North Waterford, has been named business manager of the University of Maine's student newspaper for the college year 1964-65.

Mr. and Mrs. J. Harold McQuade, owners of the Rumford Travel Service, will soon leave their home in Fort Lauderdale, Fla., to visit in the West Indies, scouting the attractions it has to offer the traveling public.

Mexico High School is selected for the second year to participate in the Visiting Scientists Program, Prof. Arthur Fairley from the Physicians Department, Colby College, lectured Tuesday to the Chemistry and Physics classes at Mexico High School.

Albert Jackson, West Paris, retired as rural mail carrier, after serving 35 years on Route three out of West Paris Post Office. His duties began Nov. 9, 1928. He used a horse and wagon at first on the 21 mile day route. The route is 42 miles a day now and serves 800 patrons. A public reception is being held in his honor.

Ray H. Littlehale of Andover has been appointed a certified rifle instructor. The announcement was made from the National Rifle Association of America, Washington, D. C. West Paris citizens voted Tuesday at their annual town meeting to build a two-room school house. The cost is estimated to be around \$25,000. The dwelling owned by David Thurston on the Andover road was burned early Monday evening. The house was fur-

Thurston had resided at the home of Charles House since last fall. There was some insurance.

Dr. and Mrs. Roswell Hubbard and daughter, Jean, held open house at their remodeled home in Waterford Sunday afternoon. Their home was badly damaged by fire last summer.

Lack of snow has forced postponement of Maine's Junior Nordic combined ski championships. The events were scheduled for Saturday and Sunday, March 7 and 8 at Chisholm Winter Park Outside entries number about 40, many from the Berlin, N. H., and Auburn areas. Competition was in classes I through IV.

Jim Corvieve and Laurel DeaRoches, students at Gould Academy, are among 11 Maine skiers named to the team that will participate in the National Junior Ski Championships March 18-21, in Squaw Valley, Calif. Other team members are five from Rumford, one from Mexico and two from Auburn.

A contract to rebuild about two miles of route 5 in Andover, the road serving the Telstar earth satellite station antenna was awarded by the State Highway Commission, Wednesday. It went to Farrin Brothers & Smith of Brighton, lowest of five bidders at \$208,185. The work will start just south of South Andover village and run northerly. Two major relocations will remove dangerous curves and grades.

School Costs Explained

Elementary Education

The State Department of Education limits charges for elementary tuition to the Town's per pupil cost. The state computes per pupil cost on a formula developed by the Superintendents' Association, which allows expenditures for Administration, Instruction, Health, Operation, Replacement of Equipment, 1% of the insured value of buildings and equipment to allow for capital outlay and repairs and fixed charges (insurance). In 1962 these items totaled \$136,235 for Bethel elementary schools. This figure is divided by the number enrolled (which varies, but is about 580) to give a per pupil cost of approximately \$235.

It is this per pupil cost which Bethel charges the State for pupils from Albany and Mason, and which Bethel charges Newry, Greenwood, and Oxford for pupils they send to Bethel Schools. Prior to the school year 1962-1963 Bethel based its charge on figures which were not current. That is, Bethel's charges for the school year 1962-1963 were based on the costs of the calendar year 1961. Starting with the school year 1962-1963 Bethel's charges are based on the latest available costs. Specifically, 1962-1963 elementary tuition was based on costs quoted above for calendar year 1962.

State Subsidy Lag

The State Department of Education calculates subsidy payments during even years (such as 1962), based on the average of school costs for the two preceding years (1964 and 1963). Subsidy for those years is paid in the two years after the calculation is made (1967 and 1968), during the latter part of the year. This delay means that the town must carry the cost of any new program for the first few years. Overall, by the time the 55% subsidy has been received it has paid for less than half of our total school costs. The current proportion depends on how fast costs are increasing.

Using high school bus transportation as an example (assuming the same subsidy rate and annual cost increases of 7%): The estimated costs for 1961 and 1962 average \$11,000, which would bring a subsidy of \$6,050 in 1967 and in 1968. In 1969 and 1970 the subsidy would be \$9,225 based on an average cost of \$16,775 for 1966 and 1967. Looking ahead for ten years the net cost would appear to be about \$16,000 in 1963 and 1968 and would average about \$10,000 per year for the following eight years. However, neither the subsidy rate nor the rate of cost increase is certain in the last seven years.

THE HIGH ROAD

L.W. PRENTISS

Free Enterprise in Road Building

Although highways are public property, administered by governmental highway departments, they constitute an outstanding example of the American free enterprise system in action.

Practically all of our publicly-owned highways are built by private contractors. The results speak for themselves. Our country has the finest highways in the world and we are making them better and safer than ever.

Simply stated, construction by contract means that the lowest responsible bidder enters into an agreement with a highway department to perform specified work, under bond, in a given period of time at unit prices fixed by the contract. The contractor brings materials, equipment, labor and "know-how" to the job site and performs the work under the supervision of engineers and inspectors employed by the highway department.

Because the contractor who consistently bids low gets the most work, there is a strong incentive for contractors to constantly seek new ways to keep costs at a minimum. Competition, plus high speed, highly productive modern equipment have been major factors in keeping contractors' bid prices quite stable for the past ten years, despite general price increases throughout other sectors of the national economy.

The work of the contractor is intertwined with the activities of other highly competitive businessmen in the highway market.

BETHEL SCHOOL DEPT. PLANS CLINIC FOR BEGINNERS

A special Immunization Clinic is planned for all those who plan to enter the Bethel School System in September. Small-pox vaccinations and "booster" shots will be given. It is desirable for all those who have not been vaccinated since infancy to have a re-vaccination before entering school. This is an opportunity for all those who have not been vaccinated against small-pox to do so before entering school.

This Clinic will be held at the Crescent Park School, Thursday, April 23rd, at 9:00 a. m. Please record all previous health information on the health record and bring this record with you to the clinic.

Parents may obtain these health record sheets at the following homes: Mrs. Arnold Brown, Mrs. David Wentworth, Mrs. Paul Bodwell, Mrs. Drew Webster, and Mrs. George Brown, all in Bethel; Mrs. Harry Taylor, Gilead, and Mrs. Earl McAllister in Albany.

These health record sheets may be obtained, also, at East Bethel School, West Bethel School and Crescent Park School. These sheets should be filled out before coming to the clinic.

In Our Time

THE MOST COMMON DISEASE IS NOT CANCER OR HEART DISEASE... IT IS TOOTH DECAY.

FIFTY PER CENT OF ALL 2-YEAR-OLDS HAVE ONE OR MORE DECAYED TEETH; THE AVERAGE 16-YEAR-OLD HAS SEVEN.

WATER FLUORIDATION CUTS TOOTH DECAY BY 60% OR MORE, BUT SOME 14,000 U.S. COMMUNITIES DON'T HAVE THIS PROTECTION.

IN AREAS WITHOUT FLUORIDATED WATER, IT'S POSSIBLE TO GET INDIVIDUAL PROTECTION. YOUR DOCTOR OR DENTIST CAN NOW RECOMMEND COMBINED FLUORIDE-VITAMIN DROPS OR TABLETS, SUCH AS ADELOR, FOR PREGNANT WOMEN, INFANTS, AND OLDER CHILDREN.

FLUORIDE IS NOT A MEDICINE OR A CURE-ALL BUT IS AN IMPORTANT DIETARY FACTOR DURING THE TIME TEETH ARE FORMING.

WOMEN'S FELLOWSHIP

Circle 4 had a very interesting meeting at the home of Florence Thurston. After dessert was served at 1:30 the meeting was opened by singing God Bless America. The business proceeded by discussion of the luncheon bridge party to be held Mar. 18 at the Red Rooster Restaurant. Then the cooking school that is to be held April 29th in the church dining room, with Mrs. Helen Reichman from the CMP Co., demonstrating cooking on all new appliances.

The next meeting will be on March 11 at 12:30 at the home of Betty Tebbels. She will furnish the program on Japan. The co-hostesses will be Louise Knight and Marjorie Barker.

The program was a hobby show. The members were asked to bring their hobbies and show them so the following is a list of the very interesting ones that were shown:

Louise Knight, knitting her specialty, also a collection of china base ball dogs from Japan; Sudie Vachon, gardening, several books on flowers, especially a book on Wild Flowers by Homer D. House, Helen Jacobs showed a beautiful rug she is making. Nell Valentine, eggs, one the pattern was original of leaves of woodbine and berries.

Mr. and Mrs. Elroy Rideout of Rumford visited Mr. and Mrs. Russell Bennett, Friday.

Mrs. Margaret Olson of West Stewartstown called on Mr. and Mrs. Robert Moody, Friday.

Twenty-one deer are coming every day to be fed at the Abbott Brook restaurant. Many cars filled with people are there over the week end to see them.

There is danger of the lumbering breaking up if the weather continues mild. There will be a ban on the roads too.

The Oxford Girl Scout Troop Committee met Tuesday, March 3, 1964 at 8:00 p. m. at the home of Mrs. William Crawford. Plans were discussed for Girl Scout Week commencing March 7. All district events will be taking place for women during this week. The League will have a display of girls' work at the church on Thursday, March 12, for Junior Scouts at 5:30 p. m., for Senior Scouts at 8:00 p. m., both in the League Room.

REV. SULLIVAN TO SPEAK AT NAZARENE CHURCH

The local Church of the Nazarene is sponsoring a series of evangelistic services from March 11 to 15. The guest minister engaged for these services is Rev. Kenneth Sullivan of Western Nazarene College in Watkinson, Mass.

Rev. Sullivan, formerly of Santa Lucia, preached Nazarene churches for ten years prior to his affiliation with the college. An able preacher, Rev. Sullivan has enjoyed a fruitful ministry among the people of New England.

An added feature of these services will be special music by local and area talent from other churches. The evening services will begin promptly at 7:00 p. m. Rev. Sullivan will

Rev. Kenneth Sullivan is preaching in the Sunday morning worship service at 11:00 a. m.

A cordial invitation is extended to the public to attend and benefit from this timely and helpful ministry.

MEXICO DEMOCRAT TO SEEK STATE SENATE SEAT

Donald B. O'Leary of Mexico, Democratic Representative to the 101st Legislature from the Mexico-Bethel District, has announced that he will be a candidate for the office of State Senator for Oxford County.

Donald B. O'Leary

O'Leary, a native of Mexico, is a graduate of Mexico High School, class of 1941. He is a veteran of WW 2, having served 3 years in the U. S. Naval Air Corp after graduating from the Naval Air Training School at Chicago, Ill. He also served three years in the Maine National Guard. Elected as Secretary of the Mexico Town Democratic Committee 1962-64 and 1964-66. He was a member of the Oxford County Democratic Committee 1962-64. A member of Napoleon Oneille Post No. 24 American Legion and a member of N. E. Oxford County Fish and Game Protective Association. Interested in youth in their formative years. He is a Committeeman for the Mexico Explorer Scouts, Troop No. 513. O'Leary, an hourly paid employee of Oxford Paper Company has been with the company for 16 years. Officers of which have been in the Central Dept. as a Tester. Active in Union affairs, he has held a number of offices with Local Unions. He is married to the former Marilyn Brown of Rumford. They have six children.

In announcing his candidacy for one of the two Senate seats in Oxford County, O'Leary said, "I feel that now that I have had experience in the state legislature, I would be able to contribute more to the economic growth of Oxford County, and to the welfare of its citizens. An example would be, such as in the field of education, I would introduce legislation to create a Vocational Education School at the Western Maine State, at Bethel. In the regular session of the 101st legislature, I, along with one other Representative from Oxford County, was successful in blocking the sale of the valuable game of State property. This property, owned for several years, but maintained and in excellent condition, would be an ideal location to start a new kind of school, a Vocational School in Agriculture. A school for dropouts and those who may not be able to complete their normal schooling. One where the students would learn dairy farming, orcharding, truck gardening, tree farming, and other aspects of farming, as well as marketing of farm products. We have vocational schools in the State where trades and skills are taught, so that we may attract new industry, which we need in this State if we are to prosper. But the future is important to our economic stability and should not be overlooked.

BETHEL REPUBLICANS TO CAUCUS MONDAY

The 1964 Republican campaign opened locally today as Chairman Arthur Lincoln of the Bethel Republican Town Committee called a Republican Caucus to be held at 7:30 p. m., on Monday, March 9, at the Selectmen's Office.

At this caucus all Republicans in town may participate in the choice of officers and members of the Republican Town Committee, as well as in the election of delegates and alternates to both State and District Conventions. This town is entitled to six delegates to each Convention, Lincoln states. The local caucus will also nominate members of the GOP County Committee.

The Republican State Convention at Portland on May 1-2 will be highlighted by the choice of 14 delegates to represent Maine at the Party's national convention in San Francisco. National and state leaders will address the 1,800 delegates at the Portland conclaves. The two GOP district conventions are part of the program for May 2.

Miss Carol Jean Flint

WINTER CARNIVAL QUEEN

Friday evening at 8:00, in an impressive outdoor coronation ceremony, Miss Carol Jean Flint, daughter of Mrs. Henry Flint, Bethel, was crowned as Gould Academy's 1964 Winter Carnival Queen, by Headmaster Edmund J. Vachon.

In her four years at Gould, Miss Flint has been very active in the Academy's musical activities, namely, band, William Rogers Chapman Club, Varsity Glee Club, and dance band. She is an accompanist and soloist on both the organ and the piano. For three years she has been her class secretary, and an active member of the Student Activity Council.

In the sports field, Miss Flint has taken part in the following: field hockey, officiating, bowling, badminton, volleyball, tennis, basketball, ice skating, figure skating, and apparatus. Earlier this year, she was chosen as the Academy's D. A. H. can

not forgotten, in this search for prosperity. I believe that a school of this type is urgently needed if we are to halt the steady decline of the number of farms in this State. Being in the Senate would provide me with a greater opportunity to accomplish this, and much more."

GOULD ACADEMY

Winter Carnival Results

Interclass skiing took place on Friday afternoon at Sunday River. The results were as follows:

Girls' Class A: 1, Juniors, 25 pts.; 2, Freshmen, 15 pts.; 3, Sophomores, 10 pts.; 4, Seniors, 5 pts.

Boys' Class A: 1, Seniors, 25 pts.; 2, Sophomores, 15 pts.; 3, Juniors, 10 pts.; 4, Freshmen, 5 pts.

Girls' Class B: 1, Seniors, 25 pts.; 2, Sophomores, 15 pts.; 3, Juniors, 10 pts.; 4, Freshmen, 5 pts.

Boys' Class B: 1, Sophomores, 25 pts.; 2, Seniors, 15 pts.; 3, Freshmen, 10 pts.; 4, Juniors, 5 pts.

Total scores: 1, Seniors, 70 pts.; 2, Sophomores, 55 pts.; 3, Juniors, 50 pts.; 4, Freshmen, 35 pts.

Snow sculpture was a wonderful success for all classes. The judging was as follows: 1, Juniors—"The Mad Hatter in a Teacup"; 2, Freshmen—"Baby Bear"; 3, Sophomores—"Humpty-Dumpty"; 4, Seniors—"The North Wind."

Keen competition produced some worthwhile results. Overall competition in ticket-selling, skiing, obstacle races, snow sculpture, etc., brought the Junior class into the winner's circle.
